

University of LVM 2010 April 19th - 23rd

The University of LVM offers E-Centaurus users hands-on training with a variety of sessions to choose from. This year, LVM can accommodate 10 students per session, no more than two per organization. Early registration is recommended since the sessions will fill up quickly.

All registrations must be mailed to LVM Systems.

Please register prior to April 9, 2010.

LVM Systems
4262 E. Florian Ave.
Mesa, AZ 85206

Phone: 480-633-8200

Heather Jacobs at ext. 233 or heather@lvmsystems.com
Tanya Schoenwolf at ext. 268 or tanya@lvmsystems.com

Monday, April 19th

9:00 a.m. - 12:00 p.m. Cost: \$300 per attendee

Survey Setup

This session will teach you how to setup your own surveys from scratch. From the most basic to detailed, you will be provided with the tools to create these surveys. This session includes learning how to link to other modules, link to websites, how to create branching questions, using surveys as tools in other parts of E-Centaurus, and the numerous reporting options.

Monday, April 19th, 1:00 p.m. - 4:00 p.m.

Tuesday, April 20th, 9:00 a.m. - 4:00 p.m.

Wednesday, April 21st 9:00 a.m. - 12:00 p.m.

2-Day Session Cost: \$1,200 per attendee for 2-Day Session

Intermediate Reporting

This 2-day session is for those Super Users who are familiar with the E-Centaurus Reporting Tool and want to learn how to make simple modifications to their reports. In this session, you will learn how to modify forms, how to modify simple SQL statements, send reports to Excel or other formats, and create custom reports from existing reports.

Wednesday, April 21st

1:00 p.m. - 4:00 p.m. Cost: \$300 per attendee

Graphing in Reports (Prerequisite: Intermediate Reporting)

This session will teach you when and how to integrate graphs into your E-Centaurus Reports. You will learn to create a basic custom graph using SQL statements and MS Graphs.

Thursday, April 22nd & Friday, April 23rd

2-Day Session Cost: \$1,200 per attendee for 2-Day Session

9:00 a.m. - 4:00 p.m.

Advanced Reporting (Prerequisite: Intermediate Reporting)

This 2-day session should only be attended by experienced, more technical Super Users or IT personnel. You will learn advanced techniques used to modify report forms, modify SQL statements, insert subtotals and other calculations, and add graphic objects to reports. During this session, you will have the opportunity to work with an LVM Report Writer to build a custom report. (Have LVM review and approve your choice of report to work on prior to ULVM.)
